- High quality 97% cotton and 3% elasthan.
- Excellent comfort, soft feel and hard wearing.
- Easy care: best washed at lower temperatures with no need to iron.
- Fully elasticated deep skirt always stays in place.
- The material has a multi-directional stretch due to the knit and elasthan content.
- Brushed cotton for a super soft feel.
- Bio Wash pre-treatment reduces bobbling (piling)

On adjustable beds, the sheets stay nice and snug on the bed even when the head and foot ends are raised.

On waterbeds, the sheets stay nice and snug even though you lay deeper into the mattress.

Ordinary cotton or poly cotton sheets have no stretch so on an adjustable bed they will become baggy when the head and foot ends of the adjustable bed are raised.

For waterbeds, sheets with no stretch easily come un-tucked.

The stretch means that for length one size fits all between 6'3" to 7'.

Sheets pull in tight on the underside of mattress
